## The Chairman Speaks:

On 13th May the Club held its May race meeting at Randwick Racecourse under ideal conditions, and proved a most enjoyable day for those present, although from the Club's point of view the attendance was most disappointing. However the Club was unfortunate to clash with other major sporting events which could have had some bearing on the attendance.

The principal event was the James Barnes Plate, named after the late James Barnes who was Chairman of the Club for many years. This race was won by Bya Khaum, which is raced in partnership by Club member Mr. A. E. Orbell and Mrs. C. Egan.

This race has been a feature race of the Club's meetings for many years and has been won by such well known horses as Monte Carlo, Empire Link, Penthrillus, Craigie, Grand Fils and Feminist, to name a few.

All other events were keenly contested and thrilling finishes were witnessed during the day.

At our January meeting in 1968 members will be interested to know that it will be the 100th Tattersall's Club Gold Cup, and of course this race has also been won by many famous horses, including Dewar, Grand Fils, Dark Fife, Monte Carlo, Gemstone and, this year, Conclave.

Your Committee is pleased to announce that after 104 years of racing at Randwick, negotiations are in progress for a new agreement between this Club and the Australian Jockey Club which should ensure the Club of conducting its meetings at Randwick in the future.

May Tattersall's Club long be associated with the "Sport of Kings."

## TOP TRAINER ON WORLD TOUR

Club member Tom Smith left recently on a trip to England, the Continent and America to purchase blood stock and to enjoy the big meetings in June and July in England. We at the club wish you a good trip Tom and hope you purchase some outstanding stock and back many winners.

\* \* \*

## NELSON BAY FOR DR. BRAY MENDELSON

Dr. Mendelsohn left for holidays at Nelson Bay for three weeks with his wife and family, where he plans to stay at "Dutchies", fish with the boys, bowl with his wife and a complete rest. Bray, we at the club will miss you on your regular Thursday visit, but we hope your holiday is all you planned and look forward to seeing you shortly.

\* \* \*

## ON THE SICK LIST

Joe Goldberg had an operation on May 9th. We are looking forward to his return to the Club. Joe is in St. Vincent's Hospital, but if you have any idea of calling to see him make sure you ring beforehand because he is so popular that the sign might be up "House Full".

\* \* \*

## ON THE RECOVERY LIST

We have had word that Melbourne member Ray Riley is recovering following a very serious heart attack. We are all very sorry to hear of your illness, Ray, and wish you a speedy recovery and look forward to seeing your happy face in the Club again.

\* \* \*

Stan Lamond, well known member and a retired A.J.C. Trainer, has returned from hospital in Melbourne and expects to be able to return to the Club shortly.

\* \* \*

Club members are no doubt wondering why they have not seen Roy Barmby about the Club lately, but Roy has been quite ill and confined to his home. I am sure he would like to hear from any of his Club friends and he is able to take telephone calls and his home number is 86-3507.

## LUCKY PEOPLE

It seems that it has been holiday time for various Motion Picture Industry members of Tattersall's Club. Colin Jones has just spent three weeks in Port Macquarie and whilst he has no fish stories to tell it appears that despite the wet weather he had a most enjoyable time.

\* \* \*

David Williams has been holidaying at Kiama and is speaking volumes of praise about this holiday resort.

\* \* \*

Keith Moremon, after visiting New Guinea with John O'Grady, author of "They're a Weird Mob" and touring Queensland, is spending his vacation with his wife and children at Mollymook on the south coast. On the eve of his departure on holidays, several of his club member friends tendered him a Birthday dinner in the Club's dining room.

\* \* \*

Tom Nicholas is all smiles at the present time as approximately 5th June, he will be leaving on a visit to the United States. His itinerary at this point has not been set but it is expected that he will be away about three weeks and is looking forward to visiting affiliated Clubs overseas.

## THIRD FLOOR

The most outstanding attraction for new members is undoubtedly the Athletic Department. They seem to migrate there with the least possible delay. It is a good thing too. New blood intensifies the competition spirit.

\* \* \*

## ACE OF CLUBS

What a good thing it would be for club life if members generally stopped and considered the wonderful amenities the Club provides before they criticised them. Where else in Sydney can one enter a building, have a swim, a rub down, a whisky and soda, lunch, followed by a game of cards or billiards then return refreshed to the cares of business.

### CONCANNON'S CORNER

Bob Concannon and his "Corner" are well known to the frequenters of our First Floor. A member has related his enjoyment in recently overhearing one of the diverting debates that often occur in "The Corner" on any conceivable subject. He states he was much impressed by this edifying discussion, kept in admirable restraint by the calm assurance of the imperturbable Bob. He offers that as his excuse for submitting what he modestly describes, as a lame transposition of an old "Smoko" chorus, as under.

Concannon's mates are forceful yet with humilitee;  
Concannon's mates debate their points with tranquil dignitee.  
They rarely raise their voices;  
They seldom disagree;  
And may one hope Concannon can preserve such harmoniee.

Out of consideration for Bob, it would be a pity to change the name to "Harmony Corner".

### CONGRATULATIONS TO CLUB MEMBER

We at Tattersall's Club were pleased to hear of the appointment to the Judiciary of H. H. Gibson (Bill to all his friends) to the Workers' Compensation Court. We wish him a very successful term of office.

\* \* \*

### SLOW BOAT

On Saturday, 20th May, Ken Fidden and his wife, Thelma, left for an extended trip by ship to Japan, Hong Kong, etc. We at the Club wish you, Ken, a very pleasant trip, one you thoroughly deserve on your retirement as General Manager of RCA after over 36 years' service.

Also Les Fines, Club member and ex-Chairman of Newcastle Jockey Club, left by ship on the 25th May to Japan and other ports in the Far East. Bad luck, Les, that Gold Cask did not win on the 20th May to help pay some of the expenses.

\* \* \*

### A NICE TREBLE

Committeeman Peter McGrath is to be congratulated on a treble, his daughter Francis was married on the 20th May; his son Gordon was appointed one of the linesmen for the Australia-Ireland Series of Matches; and his horse Departure won a race at Canterbury. Nice work, Peter.

### CONGRATULATIONS, JOE JOEL

Lloyd Burns, President of Screen Gems International, announced the appointment of Club member Joe Joel as Vice-President in Charge of Far East Operations for the International arm of Screen Gems, Inc.

Joel has been with Screen Gems since November, 1958, when he joined the Company as General Manager in Charge of Operations for Australia. In March, 1960, he was named Sales Supervisor for the Far East, Australia and New Zealand. In his new post, he will continue to base in Sydney.

Prior to joining Screen Gems, Joel served in many administrative and executive capacities in the motion picture field, including Publicity Director for Columbia Pictures Pty. Ltd., and Director of Advertising and Publicity for R.K.O. Pictures in Australia. He was also special representative and co-ordinator for Cecil B. de Mille for the release of "The Ten Commandments" throughout Australia and the Far East.

Joe, who served as a Lieutenant in the Royal Australian Navy during World War II, holds the rank of Lieut. Commander in the Reserve.

\* \* \*

### WIN THE LOTTERY AND SEE THE WORLD

To Bob Adams, congratulations in winning a half share in the lottery, and to his wife Pearl, a happy trip with Bob. We understand that Pearl will only be away three weeks. Bob will stay away much longer when he will visit England, Russia, Japan and all ports back to good old Sydney. Be seeing you, Bob.

### FUNCTION AND SPORTSMAN'S ROOMS

Members continue to praise the excellent facilities and the fine wines and foods served in the above rooms for special functions. The club is indeed fortunate in having a staff that certainly can cater for their requirements.

\* \* \*

### OLD STALWARTS

It has been rumoured that the First Floor might well be described as the hub of activities within the Club. While there might not be much more activity other than elbow bending, few members visit the Club without at least spending a little time on this floor. However, there is one very solid gathering of members, comprising Committeeman Alf Collins, Russ Williams, Ernie Heine, Bill Sellen, Pat Porter, Tom Farrar, Bill Sinclair and Jeff Belot. These are all very good supporters of the Club and can be seen enjoying themselves on the First daily.

\* \* \*

### NEWCASTLE VISIT

Treasurer H. (Barney) Fay, Committeeman Alf Collins, Homer Jones, Jack Shaw and Os Bates were a few members who visited Newcastle for Newcastle Tattersall's Club Newmarket Meeting. The principal race was won by Scottish Soldier at the nice odds of 15-1. All came back full of praise for the hospitality of the north.

# BYA KHAUM WINS THE JAMES BARNES PLATE

Bya Khaum, winner of Tattersall's Club's feature race at Randwick on May 13, had won 12 country races before he came to Sydney recently, but was totally unknown as a stayer.

Then he burst into the metropolitan limelight with a real vengeance with success in the Vietnam Cup at the Randwick Anzac Day meeting on April 25 and followed up at his next start with success in our James Barnes Plate.

Both were a mile and a quarter, a distance which was three furlongs longer than he had ever achieved before.

And by his all-the-way wins in these races he established a reputation as "the gay deceiver of the turf" because he fooled his rivals in letting them catch him near home, only to turn on another courageous burst of speed which won him the race.

Sometimes we have seen a horse do this once, but not twice in successive races as Bya Khaum did in these two important Randwick events.

Bya Khaum was a 25/1 chance in the Vietnam Cup and went out at 14/1 in the James Barnes Plate.

In the former he let Tobermory snatch the lead temporarily from him 50 yards from the winning post, and just when Tobermory punters were counting their gains, Bya Khaum kicked again and gained a half head victory.

In our James Barnes Plate he opened up a three lengths lead which he maintained all the way down the back of the course and approaching

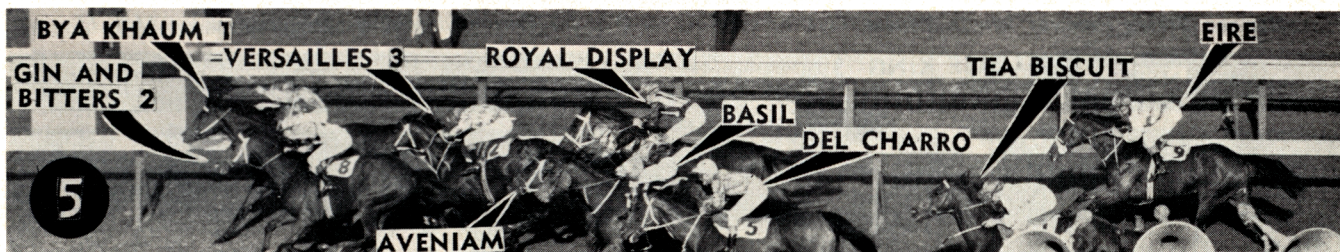

the home turn. The field looked like swamping him when they entered the straight, with Versailles leading the onslaught, but Bya Khaum beat off his challenge. Then when Gin and Bitters issued the final assault, Bya Khaum again pulled out his secret weapon to gain the verdict by a head.

The apprentice jockey who rode him to both victories, Ron Quinton, commented, "He's a horse who never knows when he is beaten. He can always pull out that little last burst just when you think he's going to lose the race."

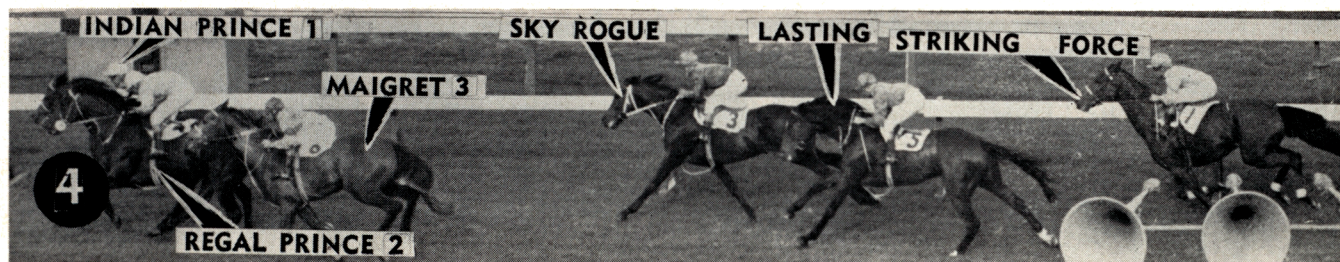

Bya Khaum is raced by Mr. A. E. Orbell, President of the Dubbo Turf Club and a Club member for 13 years, in partnership with Mrs. G. M. Egan. Arthur Egan, a country trainer, had Bya Khaum when he won the Vietnam Cup but transferred him to Rosehill trainer H. Musson in order to return to Orange where his wife was seriously ill.

Surprise failures in the James Barnes were Tea Biscuit and Royal Display. Tea Biscuit's win in the race last year was the forerunner to good Spring form later in the year with success in the Moonee Valley Cup. Two starts ago a win in a Rosehill Handicap encouraged hopes of another James Barnes triumph and the Brisbane Cup in which he was a close second last year to Apa. But in this year's James Barnes Tea Biscuit proved a complete flop, trailing the field most of the way to finish eighth.

Royal Display was hailed as a staying find when he won the Summer Cup at Randwick last December over a mile and a half and, following a spell and preparatory racing, he was backed in from twos to start a 6/4 favourite for the James Barnes. He finished fourth but was later found to have been seriously injured during the race and the Brisbane Cup is in doubt.

*Bya Khaum just got there by sheer courage and determination after leading all the way in Tattersall's James Barnes Plate at Randwick on May 13.*

*Indian Prince had to survive a close photo verdict and a protest to land the money in this tight contest.*

# DERBY HOPES FOR KARLOON PRIDE

A promising, but controversial galloper, Karloon Pride, won his first race at Randwick at Tattersall's Club's meeting on Saturday, May 13, but some long-sighted critics believe that in another month or so he might be training for the Derby at Randwick next Spring.

Karloon Pride has the breeding recommendations and the staying potential. He is a three quarter brother to Prince Grant, who, two years ago won his Derby at Randwick and proved a weight-for-age stayer with success in the Sydney Cup at three years, and at four a second to Gallilee.

No doubt the owners, Mr. and Mrs. Stan Fox, hope the classic prophets are right about Karloon Pride.

Mr. Fox has put more than half a million dollars into racing via the purchase of thoroughbreds, mostly yearlings, in the last two seasons. These he races in partnership with his wife.

So far, with the exception of Nebo Road, they have battled their way only into the minor events to date, but Karloon Pride holds out much more hope for the future.

Besides four other lesser events, Nebo Road won the Breeders' Plate and the Flemington Newmarket and is

one of our best sprinters, but so far the rest of the Fox family's team is only on trial.

At Randwick on April 8th, his last time out before his win at Tattersall's meeting, Karloon Pride's jockey, Athol Mulley, came in for loud denunciation when he finished a strong second to Brazen Boy.

The outcry proved to be unfair later when Stewards, after investigation, found that Karloon Pride, racing awkwardly, got into all the trouble possible half a mile from home, and this cost him his chance.

Karloon Pride's trainer, Dick Roden, a member of Tattersall's by the way, gave him time to forget this incident, and with the added experience, the gelding showed improvement in race behaviour when he contested our Club's race.

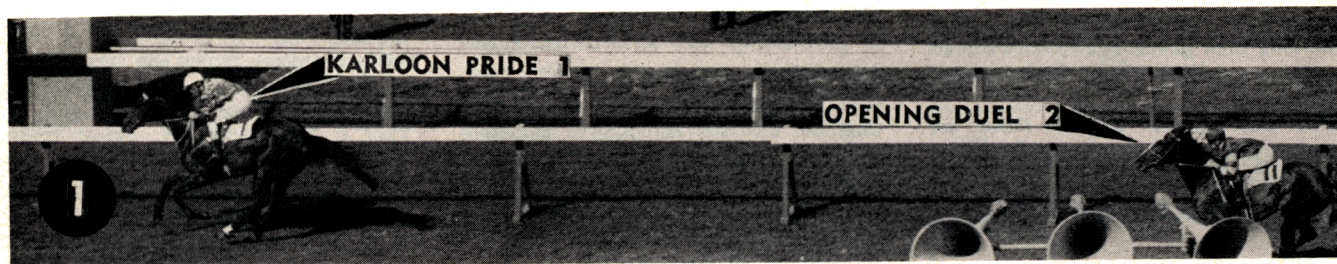

Although conceding a long start after A. Mulley had given him ample time to find his balance he raced

towards the lead approaching the home turn, then quickly asserted his superiority in the straight. Stretching out like a real stayer in the making over the last furlong of this mile affair he went on to win, running away by three and a half lengths.

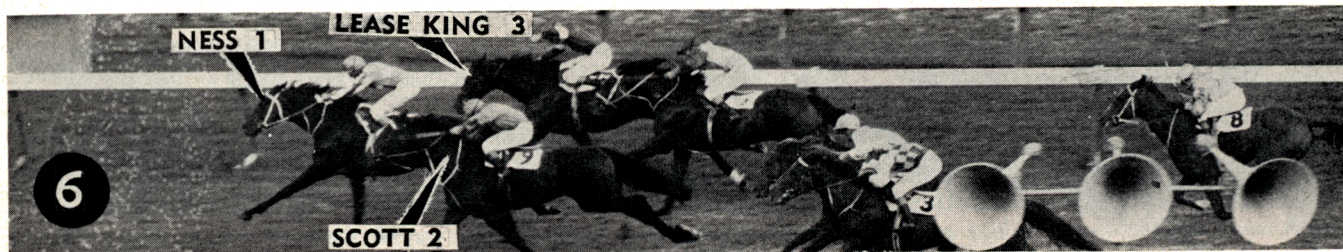

For Karloon Pride Mr. Fox paid 3,750 gns. at the New Zealand 1966 National sales. He is by Alcimedes from Karloon who is by Marco Polo sire of many notable stayers including the Melbourne Cup winner, Polo Prince.

Trainer Dick Roden goes further than the Derbies in his conviction that Karloon Pride will stay. He says he will also win the Melbourne Cup. He is a good judge and already has won a Cup with Macdougall.

Sometimes winter form can be discarded as a guide to Derby prospects, but it is always worth remembering that Phar Lap did not win his first race, a two-year-old maiden, until June. Karloon Pride has a month start with his first win in May.

*Karloon Pride's runaway win in Tattersall's Club's Two-Year-Old for Colts and geldings at Randwick on May 13.*

*Ness completes an important double for Mr. Jack Shaw.*

*Galerius races away to win the last race at the nice odds of 12 to 1.*

## DOUBLE TO CLUB MEMBER JACK SHAW

Club member, Mr. Jack Shaw, completed the second leg of a profitable double when Ness carried his unique stars and stripes colors to victory in the Novice Handicap at our Tattersall's meeting on May 13.

But the first leg was the more important—first prize in the Opera House Lottery on March 1 totalling \$200,000.

Ness had won only one prior race, a Canterbury two-year-old last July, but Mr. Shaw believed that he had staying prospects and suggested to his trainer, Bill Kelso, that he would like to have the horse fit for a possible success at the Club's Randwick meeting.

Ness had accomplished surprisingly good gallops at Randwick for a Novice. Although he was scratched for two events preceding Tattersall's Novice, his trainer had wound him up to top form as proved by his success by three quarters of a length.

Beginning long before he was 20 years of age, Mr. Shaw has had a colorful career on the turf. He began as bookmaker's clerk to his grandfather, Geo. Woods, who for many years "called the card" on Sydney's biggest pre-post betting events. A huge, monumental figure, he presided over many sensational last-minute plunges on our most important races.

It was not long before Mr. Shaw stepped up onto the bookmaker's stand and his clerking experience plus a natural gift for betting figures eventually made him a leader of Sydney's betting ring.

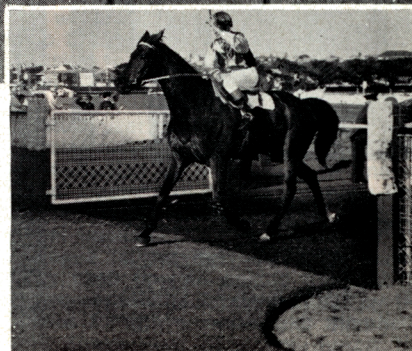

He has always remained a punter at heart, however, and retired from the ring with a round fortune to become a backer of horses. He is also a lover of horses and winning or losing, he has rarely been without a performer to carry his colors.

Although only a little over 60, Mr. Shaw dates back so far that he is one our oldest active members of Tattersall's Club. He joined in 1925. His trainer, Bill Kelso, member for 17 years, is the son of a famous trainer of the same name who won every classic Cup with Statesman. He beat Sol Green's famous three-year-old, Strephon.

*Mr. Frank Carberry presents the trophy to Mrs. C. Egan who races the winner of The James Barnes Plate, in partnership with Club member, Mr. A. E. Orbell.*

## BOWLING NOTES:

Following the trip to Adelaide the tempo in the bowling section has slowed down. Trophy games have been the order for the month with good attendances.

At Kensington on April 27th, trophy winners were Fred Spring, M. Scannell, and George Gleeson.

At City a record of 48 players entered the matches, and winners were M. Shannos, Tim Anderson, Harry Davis, and Syd Bayer.

At Waverley on May 11th, winners were Keith Manion, Gordon Booth and Bob Dibden.

At Rose Bay on May 18th, John Nevill, Ray Davis and John McKell.

Owing to bowling green space not being available, the club's competitions are progressing very slowly.

The pairs handicap is down to the last eight, but the singles championship has not yet commenced.

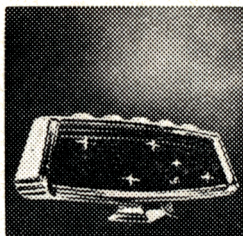

In the pairs handicap Mark Barnett and Stan Chatterton defeated Homer Jones and Charlie Cohen 20-17.

Mick Greenberg and Ken Brown defeated John Nevill and Len Catts 30-17.

# BILLIARDS AND SNOOKER NOTES

## WHAT ARE YOU DOING ON THE NIGHT OF JUNE TWENTY?

It is with pleasure that we are able to announce that the presentation of Trophies for the 1966 Snooker and Billiards Tournaments will be made the occasion of a gala event to take place in the Club Room on Tuesday, June 20th, at 8.30 p.m. All members, together with their ladies and friends, are cordially invited to be present at this event which is timed to commence immediately after Dinner at 8.30 p.m., and we advise early booking for accommodation in the Dining Room in order to avoid disappointment.

While the presentation of trophies to the deserving winners gets star billing as the main feature, in support will be a feature that is well worthy of star billing in its own right. This will consist of match play and exhibitions by internationally famous top ranking Snooker exponents on our tournament table in the main Club Room.

At this moment we shall not divulge the identity of these expert cuists — that is the surprise we have in store for you.

Recipients of trophy honours are reminded to have their trophies (to at least the value of their respective prizes) delivered to our Club Secretary in plenty of time for their identification and display prior to presentation.

Incidentally, the last time such a function was held in the Club Room in connection with Billiards and Snooker Awards was in 1959 when several hundred were present and who do you think got the greatest thrill of all — why, the ladies of course!

## COMBINED CLUBS' SNOOKER COMPETITION

The 1967 series of this most interesting activity between the leading clubs of Sydney commences on Thursday, 8th June, and culminates with the Annual Dinner and Trophy Awards at the Sydney Sports Club as hosts for 1967.

It is with pleasure that we can announce the re-entry of the Sydney Club into the series this year. This is most welcome news, and we look forward to enjoying interesting matches with them.

But speaking of news — the best is yet to come, although it would be premature to make a complete announcement at this stage. We can but ask you to accept our assurance that there is going to be provided for those members, who by virtue of their regular attendance and performance, come to be regarded as permanent members of Tattersall's Snooker Team, the most pleasant incentive that one could think of. It will be our pleasurable duty to elaborate on this intimation more fully in the very near future. We would, however, urge all Snooker playing members to qualify for participation in the "Good Thing" that is coming up, by nominating themselves as being permanently available for selection in our representative team of six players.

# POINT SCORE TO DAVID COHEN

In a thrilling finish David Cohen won the April-May point score by one point from John Ward with six other swimmers finishing next within six points.

With only six races to take place before the 1966/67 season ends, John Cunningham is seven and a half points ahead of David Cohen in the season's point score for the Native Son trophy after gaining three points on his rival in the race held just before this issue went to press.

Terry Forrest, leader in the current monthly series, is third in the season's tally but has the task ahead of him to peg back the leaders.

Some speedy swims were recorded during the month with Bill Kendall and Terry Gathercole heading the field with 19.6 efforts. Other fine performances were by Terry Gathercole and John Cunningham 20.1, Norm Rogers 20.2, and Bill Henneberry 20.3.

In a recent final Bill Kendall and Terry Gathercole, both ex-Olympians, met off the same mark, and a terrific finish saw the latter just get there with Bill Henneberry, conceded a second, inches away third.

Basil Phillips, who has won few heats during the season, was given an extra second handicap recently and showed his gratitude by winning a final in the good time of 23.1.

Improvement continues from the swimmers and in the last week or so Stan Heaton, Mike O'Dea, David Bruce and John Ward went so well that they lost a second each from their handicaps whilst Berry Innes dropped two.

Starters in the last four races averaged 39, so there is little decline in enthusiasm.

Members should note that the 40 yards Club Championship heats will be held on Tuesday, 4th July, and the finals on Thursday, 6th July. Holder of the title is ex-world champion, John Devitt, who won last season from David Emanuel and Rod Francis.

Better late than never and it is with pleasure that we can announce that the Swimming Club's cocktail party and presentation of the 1965/66 trophies will take place in the Club Room on Thursday, 15th June, from 5.30 to 7.30 p.m.

All members have been notified and it is hoped for a big attendance with the ladies, as usual, making the affair a bright one.

All you have to do is fill in the form of reservation attached to the notification and leave it at the Club's office and a good time will be had by all.

Congratulations to Bruce McKinnon on his recent engagement, and a warm welcome is extended to new swimmers M. Whelan, Peter Gracie and Bill Richards, who is the son of well known swimmer, surfer and rugby union representative, Vic Richards. Like his father, Bill is a speedster.

Welcome home to Bill Berge Phillips who gained further big official sporting positions overseas. Also congratulations to his son, Bill, on being admitted as a solicitor. Young Bill is a member of the Australian Water Polo team which has a big European tour ahead.

During the past month we had a visit to the Third Floor by Commander David Hughes of USS "Bennington". Our friend enjoyed his games of handball considerably.

Sid Kay was a happy man some weeks back when he won a heat in 27.1, the fastest time of his many years membership of the Club. Getting younger every day.

## HANDBALL NOTES:

It is rather disappointing to report that the competition for the Winooka Trophy appears to have broken down altogether. It makes one wonder if the competitors have lost interest or are just playing 'hard to get'.

There appears to be little likelihood of any play at the moment, and it is suggested to the secretary of the Handball Club to inform the semi-finalists that if they cannot play their games the competition will be abandoned.

On a brighter note we see many friendly matches being played, and it was pleasing to watch Fred Allsop and Robert Hill enjoying themselves. Fred is very enthusiastic and gave Robert a very good workout.

It is encouraging to see David Morrissey, Eric Comrie Thomson, Stan Heaton, Syd Kay, Ken Glass, Ian Rolfe and Chris Dobbins having a workout and keeping fit.

In another field of sport we find one of our top-line handballers excelling himself. I refer to Ralph Davies. Ralph, who won the State Junior Golf title 30 years ago, was induced by the committee of Cromer Golf Club to enter the final pennant game for the golf season just completed. Playing number seven from Cromer at Moore Park he proceeded to score 14 pars and four birdies to finish with an excellent stroke round of 67.

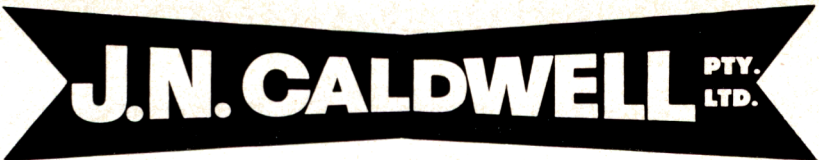

At 8 up and six to play John Cawood of Concord Golf Club wondered what had struck him when Ralph ran out the winner. Had he looked up the records he would have known why.

In the early 1950's Ralph was a member of the team from the N.S.W. Golf Club which won three premier-ships. Included in the team were some very famous names in golf — Keith Pix, Peter Hear, Noel Bartell, Bruce Crampton, Jack Barkel, Jim Prendergast, and of course, Ralph Davies. Not a bad line-up for any golf club. As we have always said you cannot beat a champion.

### IN HOSPITAL

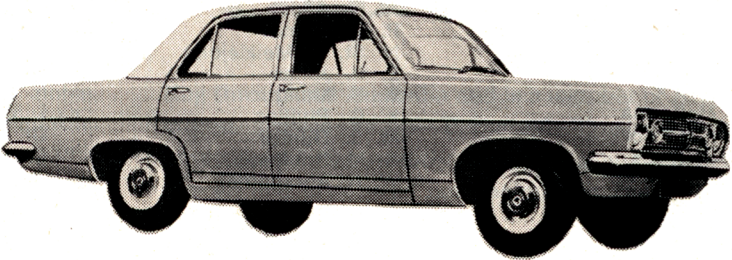

We send greetings and get well messages to member George Tupling. George is back in St. Luke's Hospital for the time being. He must be getting well again, because when I talked with his wife recently she said that he was as "grumpy as a bear." We are looking forward to seeing you back home soon, George.

Congratulations to the Secretary of the Handball Club, Norman Rogers. He has done it again. Clovelly won the Lord Mayor's Cup at Rosehill recently. Good luck, Norman, and I hope you can carry on the good work in Queensland.
